**Resources in Education**, 1976 **High-Impact Instruction** Jim Knight, 2013 Small changes can lead to big results. Best selling author Jim Knight presents the high leverage strategies that make the biggest difference in student learning. Featuring checklists, numerous observation tools and online videos of teachers implementing the practices, this revolutionary book focuses on the three areas of high impact instruction: Content planning, including using guiding questions, learning maps and formative assessment; Instructional practices, such as the use of thinking prompts, effective questions, challenging assignments and experiential learning; Community building, in which you shape a classroom culture that promotes well-being, creativity, learning and high expectations.

**Teaching Adolescents with Learning Disabilities** Donald D. Deshler, Edwin S. Ellis, B. Keith Lenz, 1996 Offers the instructional approach that emphasizes thinking processes, self-regulation and problem solving. This text presents a range of general strategies that can be applied to various content areas. It contains information on memory, note taking, test taking, social skills, transition and collaborative skills.

Pintrich, 1995-06-29 Self-regulated learning is an important new area of research on college learning and teaching. The purpose of this volume of *New Directions for Teaching and Learning* is to provide a sampling of some of the central issues regarding self-regulated learning in college courses and classrooms. These issues include the definition of self-regulated learning, how to improve students' self-regulated learning, and how faculty can use the ideas from this research to improve their own teaching. The chapters in this volume reflect current research and thinking about self-regulated learning for college students. While more research and development is needed on this topic, the authors provide an immediate context for efforts to improve college learning and teaching. This is the 63rd issue of the quarterly journal *New Directions for Teaching and Learning*. For more information on the series, please see the Journals and Periodicals page.
