Guardian Of The Silverwood:

Guardian of the Silverwood Wm. Matthew Graphman, 2014-12-12 After years of hiding a guardian and his young elf ward are forced to go on the run for their lives Seeking help they recruit an unusual cast to help them along the way The long time friend of the guardian an old priest whose love and devotion to the One True God empowers him with gifts that can aid and guide them on their journey The hawk lord bound to the elf whose command of the sky and agility in battle making him a formidable ally The crusty old battle wolf whose ability to transform himself for time into a massive version of himself providing a level of offense that few can match And finally the mysterious spy whose own potential for craft and cunning continues to surprise the others Along the way the friends of the guardian discover that the young elf is not just an orphaned child that the compassionate warrior took in years ago but is in fact the lost heir of the fallen realm of Silverwood After years of decline and the rise of chaos her discovery could mean an end to the ever increasing darkness and war that covers the land and a return to peace That is if she survives and can be shown to be the true heir to the throne The great challenge they face is proving that the elf is indeed the heir Meanwhile others have heard of the heir's rumored existence and they are anxious to see that the heir's authenticity is never verified So the race begins through the five realms to piece together the one artifact a mythical talisman thought destroyed when Silverwood fell that can unquestionably put an end to the question of the heir's right to the throne Many clues will have to be discovered and battles fought along the way Ultimately they all lean on the leadership of the guardian of the Silverwood to guide them through the challenges they must face

Prelude to the Chase Wm. Matthew Graphman, 2019-03-01 The king is dead Spire Tree the fortress of the elves has fallen The cornerstone of peace reduced to chaos and the line of Silverwood is ended or is it From the rubble an elite guardian from the realm of Dayspring locates the king's hidden treasure and rescues her before her existence is discovered Going into hiding the guardian raises the elf child for fourteen years until by accident her existence becomes suspect Hunted down the guardian and his ward race across the five realms of Teradandra looking for allies that can protect the princess and locate the one artifact a talisman that can confirm to the world that she is indeed the heir to the throne of Silverwood With time running out and the talisman broken apart by a curse into five pieces the guardian and his allies race against the dark forces of Nightfall to keep the princess alive and recover the talisman Only then can peace be restored to the five realms Only then will the glory of Silverwood be known Welcome to the land of Teradandra

Prophet to the Outerlands Wm. Matthew Graphman, 2017-03-17 On their way to meet up with an ancient dragon Guntharr Taya Firebane and the others encounter a group of elves taken captive by a small army of barbarians Concerned for their possible allies Guntharr breaks away from the group to try and discover what fate would befall them Firebane now in charge must lead the others without the help of Rift through a dangerous dungeon in order to recover a coveted treasure that their dragon host requires to secure an audience with him Compelled by a longing to return home and a fear that his life is nearing an end Rift journeys back to Wolf Valley to

spend his last days among his family His warm welcome is cut short when Rift discovers that his oldest son has been missing for weeks presumably out searching for him As a result his youngest has been trying to hold things together with the council of wolves and Rift's return sparks a controversy which ends with his arrest and subsequent trial As Rift stands to defend himself Raskin risks his life and makes a historic appearance in the middle of wolf territory Alerted to the fact that Guntharr and the others are in deep trouble Rift is forced to accept banishment from Wolf Valley Recruiting his family Rift follows his feathered friend into the wilderness to a long forgotten fortress There Firebane and the others are lured into a trap and captured by none other than Guntharr who is now under the control of an evil enchantress Mastering the power of the green gem the enchantress at the request of her sister Naranda returns a certain wizard back to life With Guntharr now under the sway of the enchantress Firebane's faith and courage is taxed to the limit Not only must he battle the persuasive power of the enchantress but hope against all hope that he can find a way to free them all and recover the next piece to the Talisman of Alterian before all is lost

The Colliery Guardian and Journal of the Coal and Iron Trades, 1928 **Colliery Guardian, and Journal of the Coal and Iron Trades**, 1922 *A Spy in Nightfall* Wm. Matthew Graphman, 2015-12-04 Six months have passed since Taya Guntharr and the others recovered the damaged Talisman of Alterian the only hope to proving that Taya is the rightful heir With little to go on Firebane sets out with Rift for a distant monastery where the elves stored copies of their ancient writings Uncovering a potential lead the two make their way back to the sanctuary when they are ambushed by a barbarian and rogue Battle Wolf who knows of Rift Elsewhere a faction of elves that survived the assault on Silverwood struggle against an unknown plague that is threatening their outpost's existence by killing off the crop that they use to sustain themselves While trying to hold off increasing attacks from the dark creatures of Nightfall and with little men to spare General Alderthorn sends out a trio of men led by his only son Farrian to search out a gifted spy who can infiltrate the land and discover the source of the plague Guntharr's suspicions are aroused as rumors have surfaced throughout the five realms that certain elf groups have forsaken the kingdom of Silverwood and pledged loyalty to no one Farrian's pleas for help conflict against Guntharr's commitment to protect Taya but then news from Firebane hints that the next piece to the Talisman may reside in Nightfall Arnethia's drive to prove herself causes Guntharr to relent and follow the elves back toward Nightfall knowing they could be walking into a trap Without a plan Arnethia hurries off on her mission into the land of Nightfall to uncover the whereabouts of the gem and possibly the cause for the plague effecting the General's outpost Her persistence pays off but in the process she is captured by a pair of creatures that have the ability to change into any living creature Captured and surrounded by an army of evil Arnethia must rely on a newfound resource to help her overcome her fear save her friends and return the second gem of the talisman

Colliery Guardian and Journal of the Coal and Iron Trades, 1962 *Friends from Mountain Forge* Wm. Matthew Graphman, 2018-03-29 The key to finding the next piece of the talisman is lost Rift and his family of battle wolves are formally banished The church at Brittle is destroyed Guntharr Taya
