English for Intermediate Mulyadi, S.Ag., M.M., English for Intermediate is a developmental skills text for beginners to Advanced students of English as a second or foreign language. While focusing on grammar, it promotes the development of all language skills in a variety of ways. It functions principally as a classroom teaching text but also serves as a comprehensive reference text for students. The communicative approach of this book is more fully developed and explicit. There are numerous opportunities for the teacher to exploit. The text often uses the student's own life experience as contexts and regularly introduces topics of interest to stimulate the free expression of ideas in structured as well as open discussion. The text supports the view of many experienced teachers that grammar-based on the communicative approaches are not mutually exclusive but rather mutually supportive and can advantageously co-exist in the same language program even in the same class or in the same lesson.
