FINANCIAL FREEDOM for Beginners Robert Richardson, 2020-08-11

The international bestseller. This book blew me away. More importantly, it made financial independence possible. I've read *Financial Freedom* three times cover to cover. Money is unlimited. Time is not. Become financially independent as quickly as possible. At the age of 30, I had achieved financial independence. Along the way, I have found that most of the accepted wisdom about money, work, and retirement is incorrect, incomplete, or so old that it is out of date. *Financial Freedom* is a step-by-step path to making more money in less time, so you have more time for the things you love. It challenges the accepted narrative of spending decades working a traditional nine-to-five job, pinching a few pennies, and ultimately earning pension entitlement at age 65, and instead offers listeners an alternative. Forget everything you've learned about money so you can actually live the life you want. Robert offers surprising and counterintuitive advice on topics such as Repair credit to get back on track, 30 passive income ideas, Insights into real estate investments, Create profitable side businesses that you can turn into passive income streams or full-time businesses, Save without giving up on what makes you happy, Live for free or better yet make money with your life situation, Create a simple and profitable portfolio that only needs minor adjustments, Think creatively, there are so many ways to make money but we don't see them, Excellent mental training will help you to cross this path very easily. Most importantly,

Robert points out that while the ability to make money is unlimited time is not There is also a limit to how much you can save but not how much money you can make Nobody should spend precious years working at a job they don t like or worrying about how to make ends meet Perhaps the biggest surprise you need less money to retire at 30 than at 65 Financial Freedom isn t just a long list of tips to follow to get rich quick it s a practical road map for living life on your own terms as soon as possible If you have come this far it is surely because you are tired of this monotonous life under the influence of the system I will be very happy to show you how to succeed and the precious weapons I currently use to improve my lifestyle day by day All you have to do is buy me now and I will accompany you [Financial Fitness for Beginners - A 12-Week Training Program \(Canadian Edition\)](#) Diana E.
