**Growing Hope** Ginny Smitherman, 2014-12-20 This devotional is a tool to help you build your own hope To receive hope you will have to work You may have to change your thinking You have to be willing to work at opening this gift You have to work at keeping it fresh I can tell you that it is worth the work and the cost Once you possess it you will be able to give it to others We cannot live well or long without hope The definition of hope I am using is the joyful confident anticipation and expectation of good His good may not be the thing hoped for God's ways are higher than ours and His plan is bigger than ours In chapter fifteen of Paul's letter to the Romans he teaches that the God we serve is a God of hope Hope is not a wish it is stronger and longer lasting than a wish Hope is active it is looking and seeking Waiting with hope takes focus and work and often time Hope involves a mental lifestyle and perception It is a conscious choice as well as a heart or subconscious choice

Aughtmon, 2017-04-04 Following God on our journey of faith can be a journey in the dark Oftentimes we don't know where we are going or where we will end up Sometimes we feel completely lost We get caught up in fear or anxiety But Faith has a best friend named Hope Hope shows up when we get to know the effervescent character of the One who loves us most of all In Aughtmon's new book *Hope Sings* the reader is invited to follow God on a faith journey God wants us to reach for dreams that are out of our grasp To fight for impossible causes To believe for the miraculous To hold on to Him when all else seems lost God wants us to put our hope in Him In His character In His mercy His peace His grace His worthiness His faithfulness His ability to restore His healing power His authentic goodness Our hope is in the One who calms seas and breathes life back into the dead His voice is singing out bringing light into the dark inviting us to join Him in His everlasting song of hope
