## Guide For The Gospel Of Mark:

Mark Bible Study Guide Jeff Manion, 2021-03-30 Mark's gospel has an urgency to it that's hard to ignore. It's as if he is breathless trying to get the information out as quickly as he can. A few decades have passed since Jesus' ministry and with persecution intensifying, some believers were tempted to compromise or simply give up on being a follower of the Messiah. So Mark needed to take the early Christians back to the basics and get them ready to move. In this six-session study DVD video streaming, not included, pastor Jeff Manion takes you and your group through the gospel of Mark to answer such urgent questions about the Christian faith as: Who is this Jesus? What does he expect of me? Is suffering a normal part of the Christian life? What will encourage and strengthen my trust in Jesus? These questions are not born of a lack of faith but serve to strengthen and stabilize our relationship with the Savior. So lace up your running shoes. Open your heart and mind. And come with your questions. Get ready to move as Mark's Gospel reveals what it means to follow Jesus. 40 Days Through the Book series. Each of the studies in this series, taught by a different pastor or Bible teacher on a specific book of the Bible, is designed to help you more actively engage with God's Word by understanding its background and culture and applying it in a fresh way to your life. Throughout each study, you'll be encouraged to read through the corresponding book in the New Testament at least once during the course of 40 days. Designed for use with the Mark In the Company of Christ Video Study, available on DVD or streaming video, sold separately. *The Gospel of Mark* Amy-Jill Levine, 2023-08-01 Discover the Good News in the Bible's earliest Gospel. Moloney, 2012 One of Australia's greatest scripture theologians Francis J Moloney SDB again brings the world of the gospels to life in this addition to the Friendly Guide series of books He introduces us to the Gospel of Mark in a style that is not only friendly but which provides a foundation for any further study of Mark and the relevance of this gospel as we live our own modern lives Moloney explains that while the Gospel of Mark is the shortest it is in some ways the most challenging of the four Gospels From what we have already seen in tracing the relationship between Jesus and the disciples in the Gospel it is clear that there are at least two parts to the Gospel The first is set in Galilee and it closes with Peter's confession that Jesus is the Christ and Jesus prohibiting the disciples to say anything about this The rest of the story has Jesus and the disciples either on the way to Jerusalem or in Jerusalem The second half of the story tells the surprising message that Jesus can only be the Messiah and the Son of God as the suffering and dying Son of Man who will be raised by God It is predicted and then acted out in the account of Jesus suffering death and resurrection Francis J Moloney SDB is an internationally renowned scripture scholar and former leader of the Australian province for the Society of Don Bosco
