Growing Up Spiritually:

Growing Up Spiritually George Mfula , Growing Up Spiritually is worth reading It will bring you into realms of unprecedented fellowship with God and His Spirit Whether in Africa Australia Asia South America Europe North America or the USA no Christian can outgrow the need for spiritual growth If you and I think spiritual growth is only for those who just got born again yesterday then we have missed it entirely As long as God remains on the throne we can t outgrow Him in every way Hence the need for us to thirst and hunger for Him and to grow more and more in Christ Jesus Just because you are a prophet pastor teacher apostle or founder of some ministry that does not exempt you from spiritual growth However if you think you have arrived at your spirituality and you don t need to grow up just know you are standing on dangerous ground The Bible says in 1 Corinthians 10 12 Therefore let him who thinks he stands take heed lest he fall Each time you think you know it all and you don t need to grow up anymore just know that is pride at work Then we already know that proud people never last long in the race of life Get this book You will scale greater heights of wisdom understanding knowledge and spiritual growth in Christ Jesus *Growing Up Spiritually* Kenneth E. Hagin,1982-03 This book will help Christians locate where they are spiritually and show them how to grow into the next stage of spiritual development How to Grow Up Spiritually Steve Shamblin,1986-06 Growing Up Spiritually Derek Walker,2007-07-17 Do you want to grow up spiritually and become strong in spirit in faith and love or just stay a spiritual babe God wants us to be spiritual giants not wimps and He has provided all we need for our growth in God This book will reveal God s will and ways to gain a dynamic spiritual life and to promote a consistent growth in grace Discover the keys that will activate and perpetuate your growth *Growing up Spiritually* Kenneth Hagin,2021-06-15 *It's Time To Grow Up* Randall J Brewer,2019-08-08 The church is in trouble The ways of the world are creeping in and it s gotten so bad that Christians think they can live like everyone else They think they can pick and choose what to believe and what not to believe as long as it conforms to the way they want to live It s gotten to the point where you can t tell who s saved and who isn t It s for this reason that believers need to take their Christianity seriously and grow up It s Time To Grow Up is an in depth study of the book of James in the New Testament a book that will lead you step by step on your quest to spiritual maturity Randall J Brewer has been teaching and conveying the Word of God for more than thirty years Gifted with the Holy Spirit s willingness to express God s attitude and clarification of the Word Randall has distributed a myriad of his publications worldwide over the years Countless ministers are using Randall s teaching as a basis for their sermons study guides and training seminars Randall and his beautiful wife Anne Marie have been bonded together by one God with one love for one purpose Their mission in life is to encourage all believers to rise up in the midst of their adversity and become all they were meant to be in and through the Lord Jesus Christ **Spiritual Growth** Kenneth Kanu,2017-08-29 Being a child of God is not enough to possessing your possessions in this Kingdom Yes You are an authentic bonafide child of God but if you don t grow spiritually you will still not possess your possessions God who is a good

Father has good plans for His children but He cannot release them on them until they grow up spiritually Luk 11 13 Possessions are for sons and not for babies even though babies are also legitimate children Many children of God today are not possessing their rightful possessions because they are still children spiritually even though they may be well advanced in age In this book I showed you the dangers of not growing spiritually and also steps on how to grow spiritually I put in so much prayer in writing this book so I have no doubt in my heart that this book will change your spiritual life forever **It's Time to Grow Up** Trevor Botha,2017-04-17 Grown men don t wear nappies and babies don t drive cars In life it is important that we act our age Spiritually it works the same way If we don t grow continually as a Christian we build expectations based on other people s experiences instead of our own current position Are you struggling to connect with God or are you frustrated that your prayers are not being answered The question is how mature are you spiritually speaking Truth is a parent relates differently to a baby than to a teenager So too your Heavenly Father relates differently to you as a little child a young man or as a father in the faith as highlighted in 1 John 2 Each growth phase poses a different degree of intimacy as well as a different level of responsibility in God s Kingdom In this book you will learn how to relate to God as A little child receive revelation of God as a Father and understand adoption into His family A young man learn how to build strength and overcome the three enemies of your soul A father in the faith live in deep intimacy with the Father while raising sons of the next generations It s time we grow up into full spiritual maturity Creation depends on it **The Heartfelt Medium** Rachelle Gehman,2020-08-07 We are all born to connect with spirit naturally to help guide us on our journey of life We all have this ability to connect and receive information It s about learning how spirit speaks to us and develop our own spiritual language with spirit The Heartfelt Medium de mystifies psychic mediumship and will empower you to establish your own relationship with spirit while learning your own unique spiritual language **Grow Up** Eddie C. Poe Jr.,2018-01-31 The spirit of man is the candle of the Lord Light it up When you open a window something has to either exit from or enter into that room Whether it be the air we breathe coming in or the tantalizing scent from a freshly baked dessert that wafts out into the neighbourhood a transition takes place Books are the windows of the world They allow information to enter our minds or they allow our imagination to exit and travel to a different place a transition takes place Open one and you enter a place of discovery that you hadnt before thought about or you did think about but didnt take the leap Consider the following conversation I dont know why they said that why they did that why they think in that manner what possessed them I just dont understand I just cant figure people out Whats the motivation Whats motivating me If youre that person carrying on that conversation in your mind or sharing it with someone then open the book and turn the pages The answer to those questions always begin in the spiritual realm but in order to perceive that you must realize and understand that you are part spirit That spirit is housed in a remarkably created body And you can realize some of the answers were not omniscient as you grow in awareness and knowledge of that spirit within **Growing Up in God** Growing Up in God,2009-06 **The Spiritual Battle**

For Salvation Dr. Daniel Wagner,2016-05-29 Time is seeming to go faster and faster Events worldwide are keeping us speechless A lot of things are not adding up any more The spiritual confusion amongst Christianity becomes more and more complex What is going on Are we living in the endtimes Is something about to happen The present church is spiritually asleep A strong spirit of deception is deceiving the church into a false Gospel and a false Christianity Christian leaders world wide abandon biblical faith and they embrace the New World Order and the New World Religion The devil disguised as big helper has replaced biblical truth with deceptive truth The majority of believers support and promote the foretold hellish nightmare of the one world government Unless church leaders wake up and stand up for biblical truth the majority of Christians will be damned to hell Will Jesus be able to find biblical pure faith on earth when he returns You might be instrumental in starting the last and greatest revival **Where Did You Come From? And Where Are You Going?** Thurston Ben

McCutchen,2004-06 This book is about the love and power of the gospel of Yahshua of Nazareth This book will help you understand what you will need to hear from heaven and when you seek Him with all your heart I pray that you will be encouraged to seek the King of all Kings Yahshua **Being a Christian** Robert Archibald Ashworth,1924 Growing Up in God's Family Charles R. Thomas,2021-10-09 Do you desire to grow spiritually but often feel stuck Well this is the book for you Natural Maturity is often fully understood but Spiritual Maturity is often forgotten about or highly misunderstood We understand natural progression For example when we are born we understand that there is a natural evolution that should take place as we grow up so shall it be spiritually In this book I will discuss in great detail the process of spiritual maturity I will go over the four stages of spiritual maturity which are extraction wilderness identity and the production stage I will also discuss the vital keys that lead to success in each stage as well as things you will have to war against and conquer in order for you to make it to the next stage of maturity In addition I will use Moses as an example as he too experienced all four stages of maturity in his walk with God and is a great role model to learn from as we walk and grow in Christ **Anxious about Decisions**

Michael Gembola,2022-09-26 Do you get anxious when you have to make a decision Do you overthink overtalk and overanalyze When anxiety surrounds every decision the result can be decision making paralysis Counselor Michael Gembola explores this common struggle and then points to the peace that comes from knowing God as your refuge and ever present help in trouble Philippians Woodrow Kroll,2008-02-27 In his joyful letter to the Philippians Paul provides valuable instructions for godly living and maturing in Christ In this Back to the Bible Study Guide seasoned Bible teacher Woodrow Kroll walks readers through Paul s powerful epistle The ten lessons are designed for personal family and small group study *Seven Steps to Spiritual Maturity* Randy Bell,2013-10 Are You a Mature Christian How do you know Is there a Biblical way to know if you are maturing in the faith Does God give us a way to measure growth Absolutely In Seven Steps To Maturity Pastor Randy Bell shares powerful insights from two of Christ s closest friends John and Peter You will be taken

back to the clear instructions God gives on how to grow up and please Him This book will teach you how important it is to mature in the faith God s way and how to measure your progress And also Peter warns you must follow this narrow way But those who fail to develop in this way are shortsighted or blind forgetting that they have been cleansed from their old sins So dear brothers and sisters work hard to prove that you really are among those God has called and chosen Do these things and you will never fall away Then God will give you a grand entrance into the eternal Kingdom of our Lord and Savior Jesus Christ 2 Peter 1 9 11 NLT
