deportivo para el Espacio Europeo de Educación Superior Germán Ruiz Tendero, 2012-11-18 Los contenidos teóricos que se presentan en este libro están relacionados con las materias vinculadas al entrenamiento deportivo y acondicionamiento físico que puedan encontrarse en los nuevos planes de estudios en los grados en Ciencias de la Actividad y Físicas y del Deporte. El autor se centra en la metodología para el desarrollo de las diferentes capacidades condicionales en conceptos fundamentales como son la carga y la adaptación y en explicar brevemente las estructuras básicas de planificación. Son los propios alumnos los que han de integrar el conocimiento asociado a la preparación técnica, factores sociológicos y aspectos psicológicos y emocionales de la preparación deportiva por citar sólo algunos de los más relevantes para el rendimiento. En este sistema se apuesta por el entrenador como eje vertebrador y en constante comunicación con aquellos aspectos que determinan el rendimiento personal y deportivo de sus atletas. Además, el manual recoge una serie de prácticas de aula o talleres y también prácticas de campo sin las cuales no tendría sentido una materia tan aplicada como es el entrenamiento deportivo.

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
