Adrian Howells 1962-2014 was one of the world's leading figures in the field of one-to-one performance practice: the act of staging an event for one audience participant at a time. Developed over more than a decade, Howells's award-winning work demonstrated not only his enduring commitment to this genre of performance but also his determination to find new challenges and innovations in performance art, intimate theatre and socially engaged art. *It's All Allowed*, edited by Deirdre Heddon and Dominic Johnson, is the first book devoted to Howells's remarkable achievements and legacy. Contributors here testify to the methodological, thematic and historiographical challenges posed by Howells's performances. Citing his permissive mantra as its title, *It's All Allowed* includes new writing from leading scholars and artists as well as writing by Howells himself, an extensive interview, scores and visual materials which together reveal new insight into Howells's groundbreaking process. **Federal Times**, 1970-10 **Lifeguard** National Learning Corporation, 2019 The Lifeguard Passbook prepares you for your test by allowing you to take practice exams in the subjects you need to study.
