

# MANUAL TESTING

- What is black box testing? *{Software testers employ black-box testing when they do not know the internal architecture or code structure.}*
- What is white box testing? *{Unlike black-box testing, white box involves analyzing the system's internal architecture and/or its implementation, in addition to its source code quality.}*
- What is difference between alpha testing and beta testing? *{Alpha testing is at the developer's site before release. Potential clients conduct beta testing at their websites.}*
