### **Microsoft Word 2013 Comprehensive** Lynn Hogan,Linda K. Lau,2013 The book offers full comprehensive coverage of Word Move students beyond the point and click The goal of the Exploring series

is to move students beyond the point and click to understanding the why and how behind each skill. And because so much learning takes place outside of the classroom this series provides learning tools that students can access anywhere any time. Students go to college now with a different set of skills than they did years ago. With this in mind the Exploring series seeks to move students beyond the basics of the software at a faster pace without sacrificing coverage of the fundamental skills that everyone needs to know. NOTE Before purchasing check with your instructor to ensure you select the correct ISBN. Several versions of Pearson's MyLab Mastering products exist for each title and registrations are not transferable. To register for and use Pearson's MyLab Mastering products you may also need a Course ID which your instructor will provide. Used books rentals and purchases made outside of Pearson. If purchasing or renting from companies other than Pearson the access codes for Pearson's MyLab Mastering products may not be included may be incorrect or may be previously redeemed. Check with the seller before completing your purchase.
