Finishing Strong Steve Farrar:

Finishing Strong Steve Farrar, 2011-02-02 Bestselling author Steve Farrar has good news for the average man it doesn't matter if you've had a great start in the Christian life or a rough one. It doesn't matter if you've stumbled time and again or even fallen flat on your face. What matters most in this all-important race of life is how you finish. According to Farrar, the man who hangs in there for the long haul with his wife, his kids, and his Lord is an exception these days. *Finishing Strong* now in trade paperback offers lively use of Scripture, contemporary illustrations, and study questions to equip every reader to be that exception. For the man who wants to climb the character ladder more than the corporate one, this is an essential tool.

Men facing difficult challenges in life will relate to chapters on Depression, Betrayal, When Your Family Is Falling Apart, Living With a Bad Decision, Living With Your Critics, and When Your Career Is Interrupted. Farrar encouragingly illustrates how David depended on God to overcome the same sins and trials still remaining a man after God's own heart. **Gettin' There** Steve Farrar, 2011-05-04 In *Gettin' There*, bestselling author Steve Farrar delves into the book of Psalms to give men a new sense of continuity, direction, purpose, and perspective. The Psalms are like a marked trail through life showing that others have walked ahead and faced many of the challenges, temptations, heartaches, and perplexities that men will encounter on their journeys. Farrar shows that when a man begins to understand that the strong and caring hand of God is sovereign over everything in his life, including his trials and heartaches, his confidence, hope, and joy will increase dramatically in the God who created him and desires to use him. **Point Man, Revised and Updated** Steve Farrar, 2022-04-26 The bestselling guide for Christian men who want to lead their families well is now revised and updated to help fathers and husbands navigate the complexities of today's challenges. Most men want to be strong spiritual leaders of their families. They just don't know how because they've never seen it modeled. That's why Steve Farrar wrote *Point Man* thirty years ago. With more than half a million copies sold, it's the go-to resource for how to faithfully lead and love your family, walk boldly through challenging seasons of marriage and parenting, stand firm against personal temptation, and forge a faith that shines bright. Yet the war on the family has only intensified since this trusted guide first came out. Whether through entertainment, social media, or legislation, our world seems determined to undermine the traditional family, which means faithful spiritual leadership is needed more than ever. This revised and updated edition will equip you to confidently navigate the cultural and societal forces affecting your family, such as shifting views of masculinity and femininity, the declining influence of church, and faith-fractured perspectives on morality.
