My Journey Mike Steward,2025-09-16 This book titled My Journey into Mid Acts Dispensationalism is a true story of an Independent Baptist s spiritual journey to a new understanding of the Bible God s Word For some people the words dispensation and dispensationalism are foreign words to them They have no idea what a dispensation is let alone how it connects with Bible doctrine and how it is taught affects their belief system More than one has said they had to look the word up in a dictionary The author was schooled and trained as an Acts 2 dispensationalist Most churched Christian people were trained the same way But is that what the Bible teaches If that teaching is wrong how would that change your theology This is a story of how the author was introduced to mid Acts Bible doctrine and what he came to believe because of that

The Bible Study Union Lessons ,1914 **Text and Paratext** Gregory Goswell,2022-11-30 The neglected contexts for biblical interpretation Context is king so the maxim goes Sensitivity to context of a verse chapter or book is essential for proper biblical interpretation Yet the Bible contains another set of key clues that readers rarely consider In Text and Paratext Gregory Goswell explores paratext and its implications for biblical interpretation Paratextual features are the parts of a text that surround the main text itself such as a book s canonical

location title and internal divisions. These features have been intentionally added to support the text and direct readers. Different arrangements of the Old and New Testaments reveal connections and associations. A book's title announces the focus of its content. Book divisions create breaks and form units of text. Commentary is baked into paratextual features making every Bible a study Bible. Rather than veiling the text's meaning, paratext highlights interpretive possibilities both ancient and fresh. While often overlooked, paratextual features guided interpretation throughout church history and should inform our study of Scripture today. With the help of glossaries and study questions, Goswell's study equips readers to understand paratext and its implications and become better interpreters of the Bible.
