Fire and Emergency Services Company Officer IFSTA, 2007-04 The 4th edition of Fire and Emergency Services Company Officer provides emergency services personnel with information necessary to meet the JPRs of NFPA 1021 Standard for Fire Officer Professional Qualifications for level I and II fire officers The manual presents information specific to the duties of first line supervisors and midlevel managers The information in this manual provides officer candidates and current officers with supervisory and managerial knowledge for developing successful leadership and administrative skills Fire Officer's Handbook of Tactics, 5th Edition John Norman, 2019-02-15 The ONE handbook thousands of fire officers and firefighters look to for safe fireground tested strategies and tactics With his fifth edition Chief John Norman offers lessons learned during his extensive and time honored career Chief Norman imparts wisdom and experience by offering advice informed by actual outcomes from the fireground This guide continues to be invaluable for firefighters aspiring to the officer level and those seeking to promote safety and effectiveness in their organization and the communities they serve by improving their own skills NEW TO THIS EDITION This fifth edition conveys valuable information gained over the past several years from scientific research relating to the tactics that we use to the changes that have taken place within our communities Failure to recognize change and adapt to it places a fire department at a great disadvantage and can cost lives and property The community changes that most directly affect the fire service today include faster hotter and more toxic fires and significantly reduced staffing in many fire departments These are inescapable facts Our challenge is to use the knowledge that is at our disposal to select the right tools technologies and tactics to safely and successfully adapt to and overcome these challenges Chief John Norman has updated his best selling book for fire officers and firefighters to include A new chapter on fires in cellars and basements which have taken on a deadlier aspect in recent years How to safely deal with cumulative changes in the modern fire environment The role of fire departments in terrorism and homeland security about specific threats from response to active shooters and sieges to bio weapons Divided into two parts General Firefighting Tactics and Specific Fire Situations Fire Officer's Handbook of Tactics 5th edition begins with establishing ground rules for structural firefighting and then moves to specific situations of fires and emergencies in the most common structures and occupancies The many photos illustrations and anecdotes provide readers with a greater understanding of the concepts and lessons in the text As new technologies are introduced into the modern fire service the basic strategies of firefighting protecting life confining the fire and extinguishing the fire do not change What changes are the tactics Interrogation of the Fire Service: A Leadership Factor Akwasi M. Maru, 2017-09-11 What are some issues facing the fire service What is causing firefighter deaths What are some training challenges in the fire service How can fire service leadership be improved What is the future of fire service Akwasi Maru interrogates the fire service through a series of questions He then provides answers based on quantitative and qualitative data The fire service has many issues facing it today such as firefighters risk of cancer yet the number one cause

of firefighter s death is not cancer Fire Departments from around the country are laying off firefighters and closing fire stations but how do this affect response time and civilian deaths Training divisions lack funds and staffing to train personnel effectively Maru explains how the leadership of officers and chiefs could blind their decisions due to their personal beliefs such as sexism racism narcissism the white shirt syndrome and their inability to adapt to change With all the current issues What is the future of the Fire Service The Assessment Center Handbook for Police and Fire Personnel (4th Ed.) Charles D. Hale,2019-02-06 Assessment centers continue to be widely used as the preferred and accepted manner of evaluating potential members of police and fire departments as a part of their standardized promotional examination process This third edition of this most successful book expands upon the concepts and principles of the first two editions and introduces new innovations Chapters have been extensively edited and reformatted New sections have been added covering the tactical EMS problem and public education exercises An entirely new chapter Best Practices in Assessment Center Exercises provides many examples of how candidates can achieve superior performance in many different kinds of assessment exercises An additional new section offers opportunities for incorporating advancing technologies in assessment center programs The text continues to offer invaluable insight concerning the reliability cost effectiveness and objective methods for the selection of candidates for higher appointments Reviewed are the advantages of an assessment center typical assessment center exercises design and administration selection and training candidate evaluation and scoring methods and preparation A substantial appendix provides many valuable resource tools including exercise plans typical schedules candidate evaluation and assessor feedback forms room configurations and feedback questionnaires The text continues to be the authoritative source for assessment center administrators **Paperbound Books in Print** ,1992 **Books in Print Supplement** ,2002 Subject Guide to Books in Print ,1983 **National Fire Codes** National Fire Protection Association,1983 **Books in Print** ,1991 **The Combat Position** Christopher Brennan,2011 Firefighting is combat and should be viewed as a warrior s calling Firefighters put themselves in harm s way to protect others a selflessness rooted in the same noble drive as the military warriors who defend our nation This book about combat is meant to be a guide for those who seek to follow a warrior s path the path of the fire service warrior Today s firefighter must be a warrior who will unflinchingly put his very life in harm s way to accomplish a mission but who is also fully informed about the path being chosen Embracing the philosophy of the fire service warrior and striving for the ready position the synthesis of physical and mental readiness that allows for optimum fireground performance can reduce firefighter injuries and fatalities The Combat Position Achieving Firefighter Readiness will be an invaluable tool for firefighters company officers chief officers and instructors **Fire and Emergency Services Company Officer** Frederick M. Stowell,Barbara Ellen Adams,Cynthia Brakhage,2007-01-01 The 4th edition of Fire and Emergency Services Company Officer provides emergency services personnel with information necessary to meet the JPRs of NFPAr 1021 Standard for Fire Officer Professional Qualifications for level I and II fire officers The manual presents
