## **If I Forget You:**

**If I Forget You** Thomas Christopher Greene, 2016-06-14 Thomas Christopher Greene's *If I Forget You* is the most moving and beautifully written love story I've read since *Cold Mountain*. Howard Frank Mosher, author of *God's Kingdom Two*, former lovers reconnect in this beautiful and haunting tale of great lost love from the critically acclaimed author of *The Headmaster's Wife*. Deeply affecting and compulsively readable, *The Headmaster's Wife* was a breakout book for Thomas Christopher Greene. Now Greene returns with a beautifully written emotional new novel perfect for his growing audience. Twenty-one years after they were driven apart by circumstances beyond their control, two former lovers have a chance encounter on a Manhattan street. What follows is a tense, suspenseful exploration of the many facets of enduring love. Told from alternating points of view through time, *If I Forget You* tells the story of Henry Gold, a poet whose rise from poverty embodies the American dream, and Margot Fuller, the daughter of a prominent wealthy family, and their unlikely, star-crossed love affair complete with the secrets they carry when they find each other for the second time. Written in lyrical prose, *If I Forget You* is at once a great love story, a novel of marriage, manners, and family, a meditation on the nature of art, a moving elegy to what it means to love and to lose, and how the choices we make can change our lives forever. **If I Forget You**
