*World Regional Geography* Lydia Mihelic Pulsipher,Alex Pulsipher,Holly M. Hapke,2005-01-05 The scale of this book encompasses vast continents and global forces but often its descriptive focus on individual lives has the most impact Stories of people and families make the study of geography compelling Students begin to grasp the complex patterns at work in the world today as

they see how people are affected by and respond to economic social and political processes Through these stories of individual lives the authors hope to convey the impact of globalization a major theme of the text To highlight global to local and interregional connections the text includes a number of topics that have no borders the war on terrorism realignments in the global political order interregional trade the global economy popular culture the environment and the Internet Here again the focus on the individual person provides insight offering local perspectives on these global trends Preface

*World Regional Geography Concepts* Lydia Mihelic Pulsipher,Alex Pulsipher,Conrad M. Goodwin,2009-03-27 The authors of World Regional Geography have answered the need for an exceptionally brief textbook for the evolving world regional course In

World Regional Geography Concepts eight major thematic concepts frame the coverage and give students a way of approach the wealth of information in the text Like the Pulsiphers longer text World Regional Geography Concepts emphasizes global trends and the interregional linkages that are changing lives throughout the world humanizes geographical issues by representing the lives of women men and children in various regions of the globe
