Hillbilly Days Funnel Cakes Recipe:

The Gravity of Joy Angela Williams Gorrell, 2021-03-09 My vocation was supposed to be joy and I was speaking at funerals Shortly after being hired by Yale University to study joy Angela Gorrell got word that a close family member had died by suicide Less than a month later she lost her father to a fatal opioid addiction and her nephew only twenty two years old to sudden cardiac arrest The theoretical joy she was researching at Yale suddenly felt shallow and distant completely unattainable in the fog of grief she now found herself in But joy was closer at hand than it seemed As she began volunteering at a women s maximum security prison she met people who suffered extensively yet still showed a tremendous capacity for joy Talking with these women many of whom had struggled with addiction and suicidal thoughts themselves she realized Joy doesn t obliterate grief Instead joy has a mysterious capacity to be felt alongside sorrow and even sometimes most especially in the midst of suffering This is the story of Angela s discovery of an authentic grounded Christian joy But even more it is an invitation for others to seize upon this more resilient joy as a counteragent to the twenty first century epidemics of despair addiction and suicide a call to action for communities that yearn to find joy and are willing to walk together through the shadows to find it
