All the Gold Stars Rainesford Stauffer,2023-06-06 From journalist and author of An Ordinary Age an examination dismantling and reconstruction of ambition where burnout is the symptom of

our holiest sin the lonely way we strive Ambition the want the hunger the need to achieve is woven into America s fabric from the first colonization to capitalism From our first gold star assignment to acceptance at the right college to hustle and grinding our lives we celebrate our drive even as we gatekeep who is permitted to strive and how visibly Even as we burn out When we can t even When we know work won t love us back All the Gold Stars looks at how the cultural personal and societal expectations around ambition are driving the burnout epidemic by funneling our worth into productivity limiting our imaginations and pushing us further apart Through the devastating personal narrative of her own ambition crisis Stauffer discovers the common factors driving us all peeling back layers of family expectations capitalism and self esteem that dangerously tie up our worth in our output Interviews with students parents workers psychologists labor organizers and more offer a new definition of ambition and the tools to reframe our lives around true success All the Gold Stars provides ways for us to reject our current reality and reconceive ambition as more collective imaginative and rooted in caring for ourselves and each other

Constitutional Foundings in

Southeast Asia Kevin YL Tan, Ngoc Son Bui, 2019-05-30 This volume focuses on the making nature and role of the first modern constitutions at the founding of the modern nation states in Southeast Asia. These historical essays add richly to our understanding and appreciation of the founding moments and to the theory and practice of constitutionalism in these states. This volume makes three significant contributions. First it helps plug the wide knowledge gap in comparative constitutional history in Southeast Asia. Second it furthers our understanding of contemporary constitutional practice and also anticipates possible developmental trajectories in light of the foundational values embedded in and manifested through these constitutions. Third through the comparative historical study of these early constitutions plausible theoretical insights may be gained to further our understanding of Southeast Asia's constitutional history. The book is essential reading for those wishing to obtain a deeper understanding of the constitutional foundings of Southeast Asia
