Micro Economy Today 12th Edition:

Teaching Principles of Microeconomics Mark Maier, Phil Ruder, 2023-01-06 Abundant with practical advice and ready to use teaching examples this dynamic guide will help both new and experienced instructors of Principles of Microeconomics to reconsider and refine their courses Mark Maier and Phil Ruder assemble the wisdom of 25 eminent scholars of economic education on how best to introduce students to the discipline and inspire a long lasting passion for microeconomics

Simplified Real-World Economics Michael Thomsett, 2020-03-23 Small business owners entrepreneurs and many managers and engineers involved in the development production sales marketing or distribution of products all need a basic understanding of economics Yet most struggle with economic concepts and are ill equipped to make good economic decisions at work or to manage their own economic lives effectively Even many highly experienced and financially trained professionals struggle with economic concepts and how to apply them This problem stems from the fact that the vast majority of books and courses available on economics are too heavily entrenched in complex unproven academic theory political ideologies and myths rather than proven historical facts These other books also have little to no practical real world application Simplified Real World Economics by financial guru and best selling author Michael Thomsett dispels the myths and explains microeconomics and macroeconomics in an easy to understand manner It is supported by dozens of real world examples from history and the author's own first hand experience giving it the authenticity that too many books lack This book is designed with the practical application of economic concepts in mind to help managers engineers involved in product development small business owners and entrepreneurs make better professional decisions In addition it will also help readers more effectively manage their own economic lives Key Features Discusses economic principles and concepts without declining into the complexity or unproven academic theory found in most other books on the topic Describes the science of economics in non technical terms transforming a complex technical topic into a discipline that readers and not just those seeking a degree in economics can understand and actually use Illustrates major economic principles as applied in the real world Explains economics from a practical and business point of view Provides a practical context to real life management situations involving textbook economics Uses recent situations in the news to demonstrate why and how business professionals need and use economics every day

Economics Today Roger LeRoy Miller, 2003-01-01 Economics Today The Micro View has long led the field in offering students and instructors a dynamic application rich approach to teaching and learning microeconomics The book is based on the belief that students learn more when they are involved and engaged The 12th edition features all new examples that have been selected to grab and hold students attention These examples serve one basic purpose to drive home the application of the theory just presented One of the keys to the success of Economics Today The Micro View is that it is suitable for many teaching styles Instructors who wish to stress theory can do so Those who wish to stress applications and examples can do that Those who wish to incorporate technology into the class can do so with ease
