

# **TELL CONGRESSMAN LANCE: HOLD THE ADMINISTRATION ACCOUNTABLE FOR CHILD SEPARATION**

**Thousands of children are still separated from their families, scared, alone, and unsure of when they will see their parents again. It's inhumane and cruel.**

At every turn, Congressman Lance has failed to do his job and hold those responsible for this crisis accountable. He needs to act now and use his position in Congress to call for answers.

The public deserves answers. Families torn apart by this catastrophe deserve better.

Call Congressman Lance at 202-225-5361 and tell him to do his job and hold the Trump Administration accountable!

**TELL CONGRESSMAN LANCE:  
IT'S TIME FOR ANSWERS ON  
THIS INHUMANE POLICY. HOLD THE  
ADMINISTRATION ACCOUNTABLE.**
